

Swing Camp Vocal Jam lyrics

Ain't misbehavin'

No one to talk with, all by myself
No one to walk with
But I'm happy on the shelf
Ain't misbehavin'
I'm savin' my love for you.

I know for certain the one I love
I'm through with flirtin'
It's just you I'm thinkin' of
Ain't misbehavin'
I'm savin' my love for you.

Like Jack Horner in the corner
Don't go nowhere, what do I care?
Your kisses are worth waitin' for
Believe me.

I don't stay out late, don't care to go
I'm home about eight
Just me and my radio
Ain't misbehavin'
I'm savin' my love for you.

All of me

All of me, Why not take all of me
Can't you see
I'm no good without you.

Take my lips, I want to lose them
Take my arms, I'll never use them.

Your goodbye left me with eyes that cry
How can I go on, dear, without you?

You took the part
That once was my heart
So why not take all of me.

Autumn Leaves

The falling leaves drift by the window
The autumn leaves of red and gold
I see your lips, the summer kisses
The sun-burned hands I used to hold.

Since you went away the days grow long
And soon I'll hear old winter's song
But I miss you most of all my darling
When autumn leaves start to fall.

Bye bye, blackbird

Pack up all my cares and woe
Here I go, singing low
Bye-bye, blackbird.
Where somebody waits for me
Sugar's sweet and so is he
Bye, bye, blackbird.

No one here can love or understand me
Oh, what hard-luck stories
they all hand me
So make my bed and light the light, I'll
arrive late tonight
Blackbird, bye bye.

Black Orpheus

I'll sing to the sun in the sky
I'll sing till the sun rises high
Carnival time is here
magical time of year
and as the time draws near
dreams fill my heart.

I'll sing while I play my guitar
I'll cling to this dream from afar.
will true love come my way
on this carnival day
Or will love stay in my heart?

Blue Skies

Blue skies,
smilin' at me,
Nothing but blue skies do I see.
Bluebirds,
singing a song,
Nothing but bluebirds all day long.

Never saw the sun shining so bright
Never saw things going so right.
Noticing the days hurrying by
When you're in love, my, how they fly...

Blue days,
all of them gone,
Nothing but blue skies from now on.

Centrepiece

The more I'm with you, pretty baby
The more I feel my love increase
I'm building all my dreams around you
Our happiness will never cease
But nothing's any good without you
'Cause, baby, you're my centrepiece.

We'll buy a house and garden
somewhere
Along a country road apiece
A little cottage on the outskirts
Where we can really find release.
'Cause nothing's any good without you
'Cause, baby, you're my centrepiece.

Do nothin' till you hear from me

Do nothin' till you hear from me
Pay no attention to what's said
Why people tear the seam of
anyone's dream
Is over my head.

Do nothin' till you hear from me
At least consider our romance
If you should take the word of
others you've heard
I haven't a chance.

True I've been seen with someone new
But does that mean that I'm untrue?
When we're apart the words in my heart
Reveal how I feel about you,

Some kiss may cloud my memory
And other arms may hold a thrill
But please do nothin' till you
hear it from me
And you never will.

Don't get around much anymore

Missed the Saturday dance
Heard they crowded the floor
Couldn't bear it without you
Don't get around much anymore

Thought I'd visit the club
Got as far as the door
They'd have asked me about you
Don't get around much anymore

Darling, I guess my mind's more at ease
But nevertheless, why stir up memories?

Been invited on dates
Might have gone but what for?
Awfully different without you
Don't get around much anymore.

How high the moon

Somewhere there's music
How faint the tune
Somewhere there's heaven
How high the moon
There is no moon above
When love is far away too
Till it comes true
That you love me as I love you.

Somewhere there's heaven
It's where you are
Somewhere there's music
How near, how far
The darkest night would shine
If you would come to me soon
Until you will, how still my heart
How high the moon.

I'm beginning to see the light

I never cared much for moonlit skies
I never wink back at fireflies
But now that the stars are in your eyes
I'm beginning to see the light.

I never went in for afterglow
Or candlelight on the mistletoe
But now when you turn the lamp down
low
I'm beginning to see the light.

Used to ramble through the park
Shadowboxing in the dark
Then you came and caused a spark
That's a four-alarm fire now.

I never made love by lantern-shine
I never saw rainbows in my wine
But now that your lips are burning mine
I'm beginning to see the light.

Just friends

Just friends, lovers no more
Just friends but not like before.
To think of what we've been
And not to kiss again
Seems like pretending
It isn't the ending.

Two friends drifting apart
Two friends but one broken heart
We loved, we laughed, we cried
Suddenly love died,
The story ends -
But we're just friends.

Just in time

Just in time
I found you just in time
Before you came my time
Was running low.

I was lost
The losing dice were tossed
My bridges all were crossed
Nowhere to go.

Now you're here
And now I know just where I'm going
No more doubt or fear
I've found my way,

For love came just in time
You found me just in time
And changed my lonely life
That lovely day.

The nearness of you

It's not the pale moon that excites me
That thrills and delights me, oh no
It's just the nearness of you.
It isn't your sweet conversation
That brings this sensation, oh no
It's just the nearness of you.

When you're in my arms
and I feel you so close to me
All my wildest dreams came true.
I need no soft lights to enchant me
If you'll only grant me the right
To hold you ever so tight.
And to feel in the night
the nearness of you.

Night and day

Night and day, you are the one
Only you beneath the moon
and under the sun.
Whether near to me or far
It's no matter, darling, where you are
I think of you, night and day.

Day and night, why is it so
That this longing for you
follows wherever I go ?
In the roaring traffic's boom
In the silence of my lonely room
I think of you, night and day.

Night and day, under the hide of me
There's an oh, such a hungry
yearning, burning inside of me.
And it's torment won't be through
'til you let me spend my life
making love to you,
Day and night, night and day.

Our love is here to stay

It's very clear
Our love is here to stay
Not for a year, but forever and a day.

The radio and the telephone
And the movies that we know
May just be passing fancies
and in time may go,

But oh my dear
Our love is here to stay
Together we're going a long long way.

In time the Rockies may crumble
Gibraltar may tumble
They're only made of clay
But - our love is here to stay.

The shadow of your smile

The shadow of your smile
When you are gone
Will color all my dreams
And light the dawn
Look into my eyes, My love and see
All the lovely things You are to me.

Our wistful little star
Was far too high
A teardrop kissed your lips
And so did I
Now when I remember spring
All the joy that love can bring
I will be remembering
The shadow of your smile.

Softly as in a morning sunrise

Softly as in a morning sunrise
The light of love comes stealing
Into a newborn day.

Flaming with all the glow of sunrise
A burning kiss is sealing
A vow that all betray.

For the passions that thrill love
And take you high to heaven
Are the passions that kill love
And let you fall to hell
So end each story

Softly as in a morning sunrise
The light that gave you glory
Will take it all away!

Stormy weather

Don't know why
There's no sun up in the sky
Stormy weather.
Since my man and I ain't together
Keeps raining all of the time.

Life is bare
Gloom and misery everywhere
Stormy weather.
Just can't get my poor self together
I'm weary all of the time, the time.

When he went away
The blues walked in and met me
If he stays away
Old rocking chair's will get me.
All I do is pray
The Lord above will let me
Walk in the sun once more.

Can't go on, everything I had is gone
Stormy weather.
Since my man and I ain't together
Keeps raining all the time.

Summertime

Summertime and the livin' is easy
Fish are jumpin' and the cotton is high
Oh, your daddy's rich
and your ma is good-lookin'
So hush little baby, don't you cry.
One of these mornings
You're gonna rise up singing
And you'll spread your wings
And you'll take to the sky
But 'til that morning
There ain't nothin' can harm you
With Daddy and [Mammy](#) standin' by.

They can't take that away from me.

The way you wear your hat.
The way you sip your tea.
The memory of all that -
No, no they can't take that away from me.

The way your smile just beams.
The way you sing off-key.
The way you haunt my dreams.
No, no they can't take that away from me.

We may never, never meet again
On that bumpy road to love
Still I always, always
keep the memory of...

The way you hold your knife.
The way we danced 'til three.
The way you changed my life.
No, no they can't take that away from me.
No, they can't take that away from me.

Watch what happens

Let someone start believing in you,
let him hold out his hand
Let him touch you and
watch what happens.
One someone
who can look in your eyes,
and see into your heart
Let him find you and
watch what happens,

Cold, no I won't believe your heart is cold
Maybe just afraid to be broken again.

Let someone with a deep love to give
Give that deep love to you, and what
magic you'll see
Let someone with a deep love to give
Give that deep love to you. and what
magic you'll see
Let someone give his heart, someone
who cares like me,
someone who cares like me.

You are the sunshine of my life

You are the sunshine of my life
That's why I'll always be around
You are the apple of my eye
Forever you'll stay in my heart.

I feel like this is the beginning
Though I've loved you for a million years
And if I thought our love was ending
I'd find myself drowning in my own tears,

You are the sunshine of my life,
That's why I'll always stay around,
You are the apple of my eye
Forever you'll stay in my heart.

You must have known that I was lonely
Because you came to my rescue
And I know that this must be heaven
How could so much love
be inside of you?

You are the sunshine of my life
That's why I'll always be around
You are the apple of my eye
Forever you'll stay in my heart.

You'd be so nice to come home to

You'd be so nice to come home to
You'd be so nice by the fire.
While the breeze on high, sings a lullaby
You'd be all my heart could desire.

Under stars chilled by the winter
Under an August moon shining above
You'd be so nice, you'd be paradise
To come home to and love.
